1. We now im-plore God the Ho - ly Ghost
 2. Shine Thou with - in, O most pre - cious Light,
 3. Thou Sac - red Love, set our hearts a - glow
 4. In ev - 'ry need lend - ing strength and cheer,

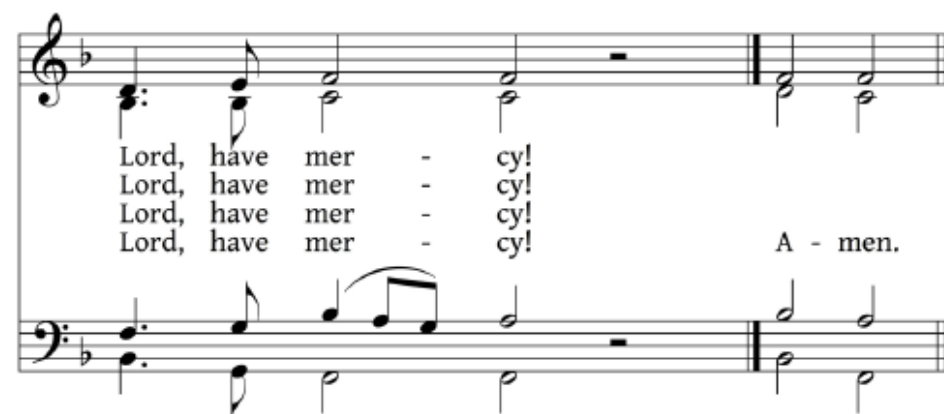

For the gift of faith our hearts need most,
 That we Je - sus Christ may know a - right
 With Thy ho - ly fire, that we may grow
 Help us nei - ther shame nor death to fear.

That in our last mo - ments He may be - friend us,
 As our Lord and Sav - ior, whose blood has bought us,
 Dai - ly more in fer - vor, all hat - red quell - ing
 Nor shall we lose cour - age when all shall fail us

And as home-ward we jour - ney at - tend - us.
 Who a - gain to yon fair land has bro't - us.
 And u - ni - ted in peace ev - er dwell - ing.
 And the foe with his taunts shall as - sail - us.

Lord, have mer - cy!
 Lord, have mer - cy!
 Lord, have mer - cy!
 Lord, have mer - cy!
 A - men.
